** National School Breakfast Week March 6-10th

Why aren't meals free in the '22-'23 school year? The USDA made it possible for school nutrition programs to serve all students free breakfast and lunch through "waivers." Congress did not extend these waivers for the upcoming school year, so we will go back to regularly priced lunch for '22-'23. Please be sure to fill out a meal benefit application, which will be available July 1, 2022.
